

Product	Accessories
Form Factor	3x 5,25" for 4x 3,5" HDDs/SSDs
Interface (HDD/SSD)	SATA I, SATA II, SATA III, SAS

SST-3141SATA – This SAS / SATA Backplane as well as the detachable bays, are all exclusively designed and made of Aluminium so that they are especially suited to keeping the HDDs/SSDs cool. The Backplane is Plug & Play compatible and supports hot swap. With an 80mm fan, even the fastest HDDs/SSDs are kept cool. The operating status of each HDD/SSD as well as the power and the activity of the fans are shown in the front of the Backplane by LED's.
